Hazard Identified? / Risks from it?	Who is at risk?	How are the risks already controlled? What extra controls are needed?
Misuse of equipment – hit by Frisbee	All	Participants must be supervised by leaders with correct participant leader ratio for each section. Equipment to be used as activity instructions state. Frisbees not to be thrown at other participants. All Frisbees to be returned to the activity store at the end of each session.
Trip, slips and falls	All	Consideration has been made in the layout of the course to minimise risk. Stick to the laid-out course. Stand next to logs when teeing off and not on them as they may be slippery.
Entanglement in chains	All	Leader supervision of participants. Ensure participants don't mess with chains of the equipment when collecting frisbees from the bucket.
