---	--	--------------------------------	-------------------------------	--------------------	--------------	--	-------------------------------

Hazard Identified? / Risks from it?	Who is at risk?	How are the risks already controlled? What extra controls are needed?
Hazard – something that may cause harm or damage. Risk – the chance of it happening.	Young people, Leaders, Visitors?	Controls – Ways of making the activity safer by removing or reducing the risk from it. For example - you might use a different piece of equipment, or you might change the way the activity is carried out.
Slips, trips & falls	All	All activities to be used in an organised manner under supervision.
Equipment Failure	Participants	Equipment checked at regular intervals and recorded by a competent person. Equipment checked prior to every use. All damage reported to Waddecar Centre Management.
Unauthorised Use	Participants	Equipment is kept locked away when not in use. Mobile equipment to be returned to the Activity Store at the end of each session.
Injury from other participants	Participants	Participants should work as a team and be mindful of each other. Clear instructions to be given before the start of the activity Leader to be vigilant and in control when lifting of equipment and participants is involved.
