FEBRUARY 2019

JOB OPPORTUNITY!!

We are looking for an energetic, self-motivated person to join the friendly Waddecar Team during the busy Summer season. Contract from early June to the end of August, with the possibility of an extension. Duties will include providing excellent customer service, leading activity sessions and helping to keep the Centre looking fantastic. This is a full time, seasonal paid position. This post is residential. For more details and the full role description, visit the Waddecar website.

BADGER'S DEN

We have an exciting new range of Waddecar branded items in the onsite shop at Waddecar.

Come and have a look at our multi-function neck tubes (we're not allowed to call them Buffs!), reusable plastic cups and laser engraved woggles.

Come and join us for our Open Day in March. Aimed at leaders and teachers this is a day to come and chat to the team at Waddecar about your future visits, new activities that we have planned, upcoming events and opportunities. There will be activities to try out including rifle shooting, rock climbing and crossbow shooting. The day will also see the launch of our new Brookside Bushcraft Training Base! Come and have a look around our fabulous new facility, have a go at backwoods cooking and sample some wonderful food cooked on a fire or in a camp oven. It promises to be a great day. Please share this far and wide!

FOUR SEASONS CHALLENGE AWARD

Why not earn your new Waddecar Four Seasons Challenge Award?

Visit Waddecar on four separate occasions over the space of a year and complete a selection of challenges to earn each section of the badge.

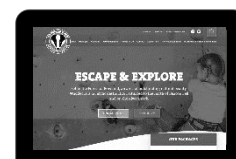

Who will be the first group to complete the whole Award? This is also an Occasional Badge that you can wear on your uniform! Please contact info@waddecar.org.uk for more info.

NEW DEVELOPMENTS

Waddecar is benefitting from several developments and improvements over the coming year.

Very soon we are starting work on our second Tented Village!

As soon as we have the go ahead from the Planning Office (finger's crossed), we will be able to start building our High Ropes Course. This exciting new activity will feature a range of challenges for all ages and will hopefully be completed by the end of the Summer.

WEBSITE

Our website has just been updated to include our Price List for April 2019, the new site map, new packages for Schools and Scouts and info about the new Brookside Bushcraft Training Base. Why not take a look!
