JANUARY 2022

SITE IMPROVEMENTS

Our amazing Crew and Mid-Week Teams have been working hard recently to keep improving the site. Fairsnape Tented Village (formerly known as the Indian Village) is having a new kitchen built. The old kitchen building has gone, services have been laid and the new building is starting to go up at the end of January.

The old ropes store on Training Field has also been demolished to make way for one of our new Camping Pods.

Keep an eye on our Social Media for exciting updates.

SERVICE TEAMS

We are now starting to fill in our ever popular Service Team Rota for Spring 2022. If your Explorers would like to come along and help develop and maintain our site whilst having a fantastic weekend and learning [#SkillsForLife](#), why not drop Mick an email on mick.brooks@westlancsscouts.org.uk

READINESS LEVELS

It's been truly wonderful seeing you all back on site over the last couple of months. We just want to make sure that you are all up to speed with the latest Scouts Guidance. From 2nd December the readiness level for Scouts in England changed to Yellow, Essentially this means that anyone 11 and over must wear a mask inside, including residential settings, other than sleeping and eating.

SKILLS COURSES

Why not come along to Waddecar and gain some new skills to help you deliver the best programme possible for your young people? Over 2022 we are putting on several adult skills course for you to join in with. Email info@waddecar.org.uk to book your place
